Meeting adjourned @ 6:49 pm.

## Bethel Township Work Session

1. Roads: Flooding on Cedar & Orchid. Trustee Brown advised the road department crew to contact Retired Trustee Dave Phares and find out the work previously completed at this location.
2. ARPA: (Balance \$486,342.67) Rhonda would like to purchase chairs and chair racks for the Donnelsville rental cabin for approx. \$2,000.00. The road department would like to investigate purchasing a mini excavator and a skid loader for approx. \$60,000.00.
3. New Cruiser: 2015 in shop again. Rhonda Will follow up with the details on the new cruiser.
4. Grants: Nancy will work on the CDBG that is available.
5. Roads: Road supervisor Bryan Stastny received a thank you for his work after a surprise EPA visit, which was uneventful with no violations. Bryan agrees to take the proper pesticide courses required to treat Bethel Township roads and parks.
6. County: The county road maintenance department will only work on our vehicles for tires, windshield, and oil changes.
